WORK EXPERIENCE

Navistar

May 2024 – Aug 2024

Finance/Accounting Intern

Lisle, Illinois

- Worked on the Pricing (Central Sales Administration) team in which I assisted in the analysis and sales of trucks, applying Special Price Adjustments (discounts) for our dealers/customers to optimize pricing strategies and maximize profit margins
- Led an audit project in which I extracted over 36,000 rows of data/orders in SQL and Excel to create multiple refreshable dashboards using PowerBI to effectively visualize key metrics of our Canadian orders
- Discovered an 8% discrepancy in exchange rate conversions affecting Canadian Offices, uncovering a significant factor behind their lower profit margins compared to other regions
- Presented findings to the VP of Finance, Pricing Director, and the rest of the team, leading to a 5% improvement in profit margins through the implementation of revised and stricter exchange rate policies
