WORK AND LEADERSHIP EXPERIENCE

Huntington Bank

Chicago, IL

Commercial Banking Intern

May 2024 - August 2024

- Supported a portfolio of 50+ small businesses with a combined credit exposure of \$10 million, contributing to reduction in credit risk through diligent monitoring and reporting during tenure
- Analyzed financial statements of small to mid-sized businesses, resulting in the identification of \$750,000+ in potential lending opportunities
- Selected as 1 of 6 interns out of a pool of 120 to serve as a Regional Intern Coordinator, coordinating events and representing interns in discussions with regional leadership and the Emerging Professionals

American Association of Individual Investors

Chicago, IL

Equity Analyst Intern

June 2023 - June 2024

- Utilized data from Refinitiv to compile and meticulously maintain performance statistics for 40 stocks across 5 different portfolios which led to achieving an month over month return of 4.6%
- Conducted statistical analysis on estimated revisions for 7,000+ companies and organized the results into distinct grades, leading to a 5% improvement in stock price prediction accuracy
- Assisted senior analysts in diligently gathering essential 10-K and 10-Q data for more than 40 companies spanning 9 portfolios, enhancing decision-making and analytical processes

American Red Cross

Chicago, IL

Special Events Intern

August 2022 - December 2022

- Collaborated with a team to support, plan, coordinate logistics, and execute a successful Chicago Marathon event with over 10,000 attendees
- Solicited \$2,500 in donations for silent auctions by effectively communicating with potential donors, resulting in increased engagement and revenue
- Used Python to automate data entry, mass mailings, filings and other administrative tasks which saved 5 hours of manual labor

DePaul Student Finance Association

Chicago, IL

Analyst

January 2021 - Present

- Collaborated with club members to conduct comprehensive research and analysis of financial data, utilizing various tools such as Excel and resources to build a mock portfolio
- Analyzed market trends and executed simulated trades, leading the club's portfolio to a 6% return over the academic year
- Presented strategies that enhanced portfolio performance and increased members' market insights
