Relevant Experience

Microsoft Mentorship

06/2024 to 08/2024

Microsoft

Detroit, MI

- Gained exposure to leadership techniques and strategic planning by observing senior management.
- Learned insights on decision-making processes and team dynamics applicable to small-scale projects.
- Enhanced abilities to lead through refining communication, stakeholder engagement, and team management skills.

Adobe Mentorship

06/2023 to 08/2023

Adobe

Detroit, MI

- Attended high-level corporate meetings and engaged in strategic discussions, enhancing skills in executive decision-making and corporate strategy.
- Participated in discussions about corporate strategy and decision-making. Applied feedback to small, self-directed projects, improving my personal workflow efficiency.

Technical Staff

02/2019 to 07/2021

Prophets Group

- Managed user experience, focusing on optimizing user interaction and satisfaction through design and functionality enhancements, leading to a 15% increase in user engagement and a 10% improvement in customer satisfaction ratings.
- Engineered the automation of backend processes, opening new insights into streamlined workflows, which improved operational efficiency by 12% and reduced processing time by 20%.

Technical Skills

- **Programming:** C, C++, SQL, Python, CSS, Java, Javascript, HTML, COBOL
- **Econometrics Software:** Stata, MATLAB
- **Economic Modeling:** Regression Analysis, Time Series Analysis, Panel Data Analysis, Optimization Models, Structural Equation Modeling (SEM), Game Theory, Advanced Equilibrium Models

Personal Projects

- **Student Ticket Group Chat:** Created the interface and backend for a group chat platform that verifies students, staff, and alumni using automated scripts.
- **AI-Powered Ticket Negotiation Tool:** Developing a tool that identifies well-priced tickets from other students using keyword searches. It utilizes AI to negotiate and purchase tickets, with future plans to automate ticket reselling. Still in development.

Relevant Activities and Extracurriculars
