EXPERIENCE

Live Nation, Chicago, IL Apr 2024 - Present
Sustainability Captain (part-time)

- Execute and oversee sustainability programs and operations, manage teams, and train coordinators on protocols; staff are currently ahead of the department's mid-year sustainability goals.
- Engage with fans and customers at high traffic events to encourage participation in sustainability programs.

Cook County Hospital, Chicago, IL Jul 2022 - Dec 2022
Public Opinion Research Fellow

- Provided public policy research support to the strategy team, prepared statistical reports, and implemented programs to support external initiatives.
- Researched Illinois immigration laws to provide urgent healthcare assistance to undocumented asylum seekers; reviewed and improved Department of Public Health policy and facilitated its successful passage.
 - Analyzed survey data from clinical physicians to assess staffing needs for a dedicated migrant care site. Collaborated with Chief of Clinical to recruit medical physicians and established a robust staff pipeline.
- Developed and presented best practices for instituting a regulated system for onboarding returning office workers post-COVID leading to improved performance and productivity.

49th State Angel Fund, Chicago, IL Sep 2021 - May 2022
Venture Capital Fellow

- Conducted due diligence and analyzed the financial health and viability of Alaskan small businesses, identifying investment opportunities. Provided strategic recommendations that enhanced portfolio performance.
- Led forums for small businesses to present to investors and delivered workshops to enhance investor engagement and improve financial literacy among entrepreneurs.

Bain & Company, Chicago, IL

Jun 2021 – Aug 2021

Consumer Product Practice Specialist Intern

- Researched and collected consumer product insights and post-COVID spending trends for case studies, helping companies better understand and serve their customers. Client portfolio: *Kraft Heinz, Coca-Cola, Grupo Bimbo and Agricultural Capital*.
- Integrated data from research into presentations for the consumer product team and senior management to inform new product ideas and marketing campaigns for clientele.
- Led meetings with leadership and consultants on consumer product goods and services.

University of Chicago Biological Sciences Division, Chicago, IL

Nov 2020 – Jun 2021

Diversity & Inclusion Research Intern

- Supported the planning, development, and implementation of diversity & inclusion programs and initiatives. Managed data collection, tracking, and program evaluation.
- Researched and reported on key DEI issues, developed educational initiatives, and co-led workshops for physicians and the Chief of Staff to promote awareness.

Loop Capital, Chicago, IL

Jun 2019 – Sep 2019

Project Finance Intern

- Supported staff on special projects including the evaluation, negotiation, and successful delivery of a low-cost diversified capital structure for Property Assessed Clean Energy (PACE) and project financing plan.
- Gathered and synthesized data to support marketing efforts, analyzed new program costs, planned budgets, and educated stakeholders on the benefits of PACE.

Polsky Center for Entrepreneurship & Innovation, Chicago, IL

Jan 2019 – Apr 2019

Small Business Consultant Extern

- Partnered with the JPMorgan investment team to provide 1:1 consulting services to minority-owned business, CEI Media Group.
 - Assessed company operations, marketing, and financial models and provided recommendations that enhanced brand visibility and drove revenue growth.
- Established relationships with leadership and clients, organized and executed business projects, and collected information to conduct shadowing, interviews, and surveys.

Rush University Medical Center, Chicago, IL

Jun 2018 – Aug 2018

Small Business Consultant Extern

- Performed budgeting analysis for the Rush treasury account and integrated ESG methods into the portfolio to enhance treasury revenue.
- Oversaw implementation of designated funds and forecasted reports of investing trends and strategies to analyze projected influence on hospital ROI.

Janian Investments, Chicago, IL

Jun 2017 - Sep 2017

Summer Investor Relations Intern

- Researched company investment opportunities, assessed financial health and market data, created financial mockups and performance projections, and provided strategic insights to support informed investment decisions.
